

PREMIUM DOMESTIC FLOUR MILLS

Product Brochure

Ghar ka Atta, Australia mein bhi

This brochure introduces two flour mills from the Dakshin Global VISHVA range. The **VISHVA 1.5 HP** uses traditional food-grade emery stone grinding for that authentic chakki taste, while the **VISHVA Flora** uses a precision stainless steel blade grinding chamber for a faster, higher-capacity grind. Both arrive with an Australian plug fitted as standard. Full specifications and pricing for each model follow.

VISHVA 1.5 HP

Stainless Steel · Stone Grinding

PRICE

AUD 599

VISHVA FLORA

Designer Finish · Blade Grinding

PRICE

AUD 770

VISHVA 1.5 HP

STAINLESS STEEL DOMESTIC FLOUR MILL

Enjoy fresh, healthy, and preservative-free flour whenever you need it with the VISHVA 1.5 HP Domestic Flour Mill. Designed for modern households, this powerful flour mill combines traditional stone grinding with advanced engineering to deliver smooth, efficient and consistent grinding results, all housed in a compact yet robust chrome-coated stainless steel body. With a heavy-duty 1.5 HP motor, food-grade emery stone grinding, overload protection MCB switch, and easy mobility via heavy-duty castor wheels, it is the ideal home milling solution for wheat, rice, maize and multigrain flours.
